“Well I learned so much at the meet tonight at Estey’s Bridge hall there was a lot that I was unaware of. I was glad to have had the opportunity to be informed. Thanks so much for this opportunity to make better future for my children and children’s and families in New Brunswick. I am on board with this and we can together make a change. Thanks”

“Katherine d’Entremont’s actions have been ruthless to Unilingual English taxpayers of this Province. Time to take action and let these politicians know we are Not going to take it anymore! I am willing to assist you in any way I can.”

“Very informative meeting, while I knew that things were bad, I had no idea how bad. Glad to see people such as yourselves speaking up and taking action. I just submitted my membership tonight, and look forward to being a part of your association.”

“Great meeting tonight! I learned so much and no longer feel alone – together we will fight this.”

“My wife and I attended your meeting in Doaktown. I admit, we were a little skeptical going and didn’t expect much more than a bunch of anti-French propaganda. I would like to tell you that we were pleased and surprised to find the meeting anything but anti-French. You presented things that concern many NB residents in a clear and bare-bones manner without any hateful or hurtful comments. You provided clear and publicly available information to demonstrate your position, and you were open to both feedback and opposing positions. At the end of the day, you gave us a great deal to think about – and I believe that my wife and I have decided that we will both be joining your organization and offering our support. You are correct – we need to get things under control in this province – there is no logic or reason to what is happening. I appreciate you mentioning that members from all political parties had been invited – we all see who actually showed up, and I guess that says a lot about who actually cares about the people in this province. Can you tell me how to get hold of Mr. Austin? We would like to make a

donation but did not have the funds on Saturday.
Keep up the good work!”
