'English is the key': Controversy in Quebec as more francophones choose English CEGEPs – Montreal – CBC News

Posted: October 6, 2017

During a convention this weekend, Parti Québécois delegates will debate and possibly vote on a resolution to cut funding to English colleges, known as CEGEPs, because they are attracting too many non-anglophones. Source: 'English is the key': Controversy in Quebec as more francophones choose English CEGEPs - Montreal - CBC News

- **[Ambulance attendants do not want to bear the burden of lack of resourcesj\(translated\)](#)**

Posted: October 6, 2017

PUBLISHED ON FRIDAY 1 SEPTEMBER 2017 AT 17 H 12 Yanick Mongeau, Regional President of the Union of Paramedical Workers. The paramedics union denounces the management of Ambulance New Brunswick in the Western Restigouche. Recent events reported by the media have a negative impact on the morale of ambulance attendants, who feel they are being [\[...more\]](#)

- **[Provincial French Second Language Oral Proficiency Assessment at Grade 12 Assessment Results 2015-2016](#)**

Posted: September 6, 2017

Early French Immersion - First of all, only 451 Anglophone students in NB completed the program and took the assessment. Of those students - only 166 students achieved Advanced Level (hiring for entry level public service usually requires Superior, although Advanced Plus is sometimes accepted depending on the role) Late French Immersion - Even more [\[...more\]](#)

- [**Equality Health in French requires the end of the NB Ambulance Contract \(Translated using Google Translated\)**](#)

Posted: August 31, 2017

The Equality in French group calls on the government to terminate the contract linking its ambulance service with Medavie Health Services. The pressure group invokes the report of the Commissioner of Official Languages, published on Friday in which Katherine d'Entremont described several breaches of the Official Languages Act. According to the Commissioner, NB Ambulance has [\[...more\]](#)
